Below this is the 'Course overview' section, which shows a grid of course units. The units include 'Level 5 Business Units', 'Help and Information Greystone College - Melbourne Arrival Guide', 'Help and Information Greystone College VET Student Orientation', and 'Help and Information Greystone Enrolment Form'. Each unit has a progress bar indicating 0% completion. On the right side, a sidebar contains various navigation links: 'Student Support', 'Campus Links', 'Greystone App', and 'Microsoft' services. A blue arrow points from the 'Student Orientation' link in the 'Campus Links' section to the corresponding unit in the course overview.
