You're now ready to access and use the Sonder app

For registration or login support from Sonder, email <u>hello@sonder.io</u> If you are experiencing problems with step 5 (SSO log in) please contact your Student IT Team or Help Desk

If, after entering your email, you see this screen or the message "We couldn't log you in, please try again", either:

- you have not entered the correct email, or

- your institution has not provided Sonder with your company email

Go back to step 2 and enter your student email, or contact your team to submit your student email to Sonder
