Preparing for your trip

BEFORE YOU LEAVE

ILSC CUSTODIANSHIP SERVICES

Any child who is a minor (a child under the age of 18 in Ontario and Quebec and 19 in BC) who wants to study in Canada (without a parent or guardian) and is not a Canadian citizen or a permanent resident, must have a custodian, which is an adult appointed to them, who will provide the care and support they need while in Canada.

A custodian's responsibilities include:

- Assisting with the student's arrival and departure from Canada
- Providing consent (as required) for academic programs and activities (e.g., field trips)
- Responding 24/7 to emergency situations involving the student
- Assisting in accessing immediate and/or ongoing medical services
- · Mediating disputes involving student and/or staff
- Advising the student's parents of any issues pertaining to the student's social, emotional, physical, or academic well being

The ILSC Campus Directors will act as custodians for all ILSC students with the exception of students travelling as part of a group that is accompanied by a chaperone. In this case, the chaperone would act as the custodian for the group of students. If a student has a relative or the student's parents have a friend who they would like to appoint as custodian, they may do so as long as the relative or friend lives near the school or residence and meets the requirements and can fulfill the custodian responsibilities. Once you have determined who you would like as your child's custodian, you must complete and submit a Custodianship Declaration form.

The <u>Custodianship Declaration Forms(Custodian and Parents/Guardian)</u> form consists of two pages:

- The first page needs to be signed by the custodian and notarized in Canada.
- The second page needs to be signed by the parents or legal guardians of the minor child and notarized in their home country.

All minor students must provide a notarized declaration, one signed by their parent or legal guardians in the country of origin, as well as one signed by the custodian in Canada, stating that arrangements have been made for the custodian to act in place of parent. The <u>Custodianship Declaration Forms</u> must be signed and notarized by a lawyer or notary public. The fee for the ILSC custodianship services and notarization costs are included in the tuition fees.

UNACCOMPANIED MINORS

An "Unaccompanied Minor" is any child between the age of 8-17 years old traveling without a parent or legal guardian.

Most airlines provide an "Unaccompanied Minor" program to assist children who are travelling alone from their point of departure to their destination. The unaccompanied minors are escorted by airline personnel until they reach their destination and are released to an ILSC Juniors Program team member. This program is mandatory for children between 8-11years old and optional for children aged 12-17 years old. The airline charges an additional fee for this program.

ILSC ACADEMIC ENGLISH PLACEMENT TEST

Your language assessment will be conducted in person on your first day in a fun, interactive way! There's no need to complete an online test in advance—just arrive ready to participate and enjoy the experience.

Once you Arrive

If you are coming from an international flight, you will be arriving at the international arrivals' terminal of the airport. If you are coming from a Canadian connecting flight, you will be arriving in the domestic arrivals terminal of the airport.

All ILSC's locations are in major cities, and the airport will be between 20-45 minutes away from the school depending on which city you will be studying in.

When you arrive, there will be an ILSC Junior Camp staff member waiting for you inside the terminal. The person will be waiting for you with a sign with the ILSC logo and your name. This Junior Camp staff will greet you and help you find the driver assigned to pick you up and take you to your homestay.

If you don't see the Junior Camp staff member right away, don't worry; someone will be there waiting for you. If, after looking carefully, you can't find anyone with a sign with your name on it, go to the information booth and ask to make a phone call to the <u>UBC</u> Junior Camp emergency phone number 416-459-5756, which is always available, 24 hours a day from June 29, 2025 - August 10, 2025.

A Junior Camp staff member will answer the phone and make sure to connect you with the person picking you up.

Life at the Residence

You will be staying at UBC's Totem Park or Vanier residence, located in a quiet section of the UBC campus featuring dormitory buildings, large commons block with common rooms, and cafeterias.

Boys and girls live in separate sections of the residence. Bed linens are provided and changed weekly; however, you should bring your own towel.

The Junior Camp staff will be living with you in residence and are available 24 hours a day, 7 days a week.

In addition to the Junior Camp staff, UBC security staff patrol the residence in the evening for added security.

You will receive 3 meals a day. These are typically hot meals from the cafeteria, served buffet style. On full day excursions (once per week), you will receive a boxed lunch and restaurant dinner.

The residence features large common spaces and a kitchen with a fridge and kettles.

Totem Park has a large open field space for recreational sports. The campus also features a botanical garden and world class museums.

SIM card plans range from \$9–\$19 per week or \$35–\$45 per month, depending on the package. For more details, visit <u>gophonebox.com/plans</u>.

If you would like to purchase a SIM card, please let us know on your first day of class, and a member of the Junior Program staff will assist you.

Vancouver has three area codes: 604, 236, and 778.

- You must always dial the area code along with the number
- If you're making a long-distance call, you must dial 011 + the country code (e.g., 011-55 for Brazil, 011-886 for Taiwan, etc.), followed by the phone number.
- It's recommended to bring a cell phone with you; however, some pay phones are still available at transit hubs, airports, shopping malls, and hotels.
- Local pay phone calls cost 50 cents, with no time limit.
- 911 is the emergency number that can be dialed for free from any telephone. 1-800 and 1-888 numbers are also free.

You are expected to be on time for classes. Attendance, punctuality, and participation are important aspects of learning.

Students who attend class every day and on time:

- Learn more English!
- Get the class off to a good start!

Please note: if for any reason you are unable to attend a class or activity, please have your homestay parents notify the school **IN ADVANCE** with a written notice or a phone call.

Frequently Asked Questions

WHAT'S INCLUDED IN THE JUNIORS PROGRAM PACKAGE?

The package fee includes all entry fees to attractions (activities take place Monday to Friday and a full day on Saturday), your accommodation, and a full-board meal plan (3 meals per day plus snacks), provided by your homestay family.

HOW MUCH MONEY SHOULD I BRING?

Public transport fees are not included, so students should bring between \$22 and \$28 per week to cover their transportation to and from school, as well as during activities. Students should also bring enough money for personal needs, including shopping for personal items and souvenirs.

<u>WHY IS PUBLIC TRANSPORTATION EXTRA?</u> (does not apply to UBC)

Depending on the length and dates of a student's program, the most cost-effective transit option can vary. We've found that it's easy and affordable for students to purchase transit fares once they arrive. Homestay families and ILSC staff can help students choose the best fare option for their needs.

HOW DO I ADJUST TO A NEW COUNTRY?

The program is a fantastic opportunity to explore a new culture, improve your language skills, and make new friends from around the world. While it's super exciting, it can also be a little challenging at first.

When you arrive, you might feel tired for the first few days because of 'jet lag'-this is normal, and your body will adjust to the new time zone.

Trying new foods can also make your stomach feel a bit off until you get used to them.

Be patient, and don't worry, your body will naturally adapt. It's also a great idea to let your host family know how you're feeling so they can support you.

WHAT IF I FEEL HOMESICK?

Feeling homesick is totally normal, especially if it's your first time away from home and your family. Being in a new country, where everyone speaks a different language, can feel a bit overwhelming and cause some 'culture shock.' The best way to feel better is to talk about your experiences and how you're feeling with your friends, teachers, and host family. Sharing what you love about your home will help you feel more at ease. You can also try writing down your thoughts in a journal—it's a great way to express yourself!

WHY DO I HAVE TO SPEAK ENGLISH ALL THE TIME?

ILSC's 'English Only' or 'French Only' policy is here to help you learn faster! It might feel tough at first, but the people you meet at ILSC will understand your efforts and any frustrations, and they'll do their best to help you. If you meet someone who doesn't understand, try not to get upset. They might not know what it's like to learn a new language, or they could just be having a bad day. No matter what, keep going. Soon, your English or French will improve and be better than ever!

IS THE CITY SAFE?

ILSC campuses are in several big cities, and these cities are usually very safe. Students are always with ILSC staff during activities and stay with their host family in the evenings, so they're rarely alone. However, students may need to travel between their homestay and the ILSC campus on their own.

Even though the cities are safe and the people are friendly, it's important to stay aware of your surroundings. If you see anything that seems suspicious or makes you feel uncomfortable, let an ILSC staff member or your homestay family know right away. Even in the safest places, it's a good idea to stay alert after dark and travel with friends if you can!
